New department
(Sives)

CREATE NEW ITEM (Project Material)

Page Information (Front end): Our project guides have been designed to provide direction and support for students, researchers, or educators in various academic activities. These guides cover a range of topics and serve as tools to ensure proper understanding, organization, and adherence to academic standards. Our goal is to assist users in developing skills, completing assignments, conducting research, or navigating academic environments effectively. Please use responsibly and maintain academic integrity. *Greenresearch* do not support academic dishonesty of any form.

Item Type: Project Material

Department: XXXX

Project topic: XXXX

Type of Study: Quantitative/Qualitative (√) **Chapters:** 1-5 (√)

Buy and download (NGN5,000) (√)

Free Download (√)

Direct answers

Create Project

Please note that some documents can be downloaded free while others must receive a donation before a user can download the document. So create two options:

Option 1: Buy and download Complete Material (This link takes them to payment page)

Option 2: Free download (Downloads immediately)

Please tick (√) as default for **Buy and Download**. But it can be changed to free download

There should be a Whatsapp button below every product saying **Buy via WhatsApp**.

CREATE NEW ITEM (Business plan)

Page Information (Front end): A business plan is a critical tool for entrepreneurs and organizations. It provides a clear roadmap, outlining goals, strategies, and milestones, ensuring focus and direction. It helps entrepreneurs anticipate challenges and opportunities, fostering informed decision-making. Greenresearch has created and uploaded this strategic planning tool. Kindly note that figures and activities in these documents can change with changes in the economy. Kindly consult with an expert before use.

Item Type: Business plan

Industry: Fashion **Location:** Abuja

Title: Fashion Business Plan for start self-employed

Buy and download (NGN10,000) (√)

ROLES

This feature specifies the rights and privileges of staff and admin. There are three level users

Admin rights:- Entitled to all rights and privileges (create, edit, view all documents, add users, view all users, delete user, delete file or record, view payments).

Manager rights:- Entitled to create, edit, view all documents, change staff password, view payments, add new staff but approved by Admin. This user **CANNOT** delete.

Staff rights:- Entitled to create, edit, view. This user **CANNOT** delete.

Keywords and phrases

This should be like a keyword/ phrases bank. When an item is being created, the admin or staff can just type a “letter” “keyword” and options of keywords and phrases will come out for the staff to select and use. This feature can always be edited and saved.

View/Edit T&C

On this page, a PDF document will be uploaded that contains Greenresearch Terms and Conditions. There should be an edit feature where if any adjustment or update is made, the document can be re-uploaded and saved. On the **front end**, this should be a link where if a user clicks it, it automatically opens PDF file where they can read.

View/Edit Privacy policy

On this page, a PDF document will be uploaded that contains privacy policy details. There should be an edit feature where if any adjustment or update is made, the document can be re-uploaded and saved. On the front end, this should be a link where if a user clicks it, it automatically opens PDF file where they can read.

Message: Thank you for choosing to support Greenresearch through your donation. Your donation is used to maintain the continuous visibility of this website. Every year we undertake **Green Education Campaign** in Nigeria rural communities. Your donation is a huge support in ensuring out-of-school children go back to school in several communities with basic necessities such as books, bags, sandals, and reading materials.
